Online voter registration is available at EscambiaVotes.gov. A Florida Driver's License or Florida ID and Social Security number are required.

To register in person, simply complete a Florida Voter Registration Application at an authorized voter registration agency, which includes:

- Election offices
- Public Libraries
- Florida Driver's License/Tax Collector offices
- Centers for Independent Living
- WIC and Florida Department of Children and Families offices
- Armed Forces recruitment offices
- Several other public agencies

Contact the Supervisor of Elections office for a complete list of voter registration agencies and additional locations where applications are available. Florida Voter Registration Applications are also available online at EscambiaVotes.gov or by mail. Printed applications must be completed, signed, and returned to a voter registration agency.

You may register to vote if: 

- You are a U.S. citizen.
- You are at least 18 years of age (you may preregister at 16)
- You are a legal resident of the Florida county in which you wish to be registered.

You may NOT register to vote if: 

- You have been convicted of a felony or adjudicated mentally incapacitated with respect to voting, unless your right to vote has been restored.

Photo and Signature ID Requirement

If you choose to vote in person, whether by early voting or at your precinct on Election Day, you must present photo and signature identification. Acceptable forms of photo ID are:

- Florida Driver's License
- Florida ID card issued by the Department of Highway Safety & Motor Vehicles
- U.S. Passport
- Debit/Credit Card
- Military ID
- Student ID
- Retirement Center ID
- Neighborhood Association ID
- Public Assistance ID
- Concealed Weapon License
- VA Card
- Government Employee ID: Federal, State, County or City

Remember to bring your Photo/Signature ID with you to vote!

If you fail to present proper identification at the polls, you may vote a provisional ballot.

In Florida's partisan primary elections, you may only participate in the primary of the party in which you are registered. However, if all candidates for an office are from the same party, and will not face opposition in the general election, then all qualified voters may cast a ballot in the primary, regardless of party affiliation. This is known as a Universal Primary Contest.

In the general election, and in non-partisan contests, all voters may cast a ballot without regard to political party.

If a person's eligibility to vote cannot be determined, they will be allowed to vote a provisional ballot. A person casting a provisional ballot will be provided a written notice of rights with instructions on how to present written evidence supporting their eligibility to vote to the Supervisor of Elections office. The Canvassing Board adjudicates all provisional ballots.

If you do not provide an acceptable photo and signature identification at the polls, you may vote a provisional ballot. The Canvassing Board will simply compare your signature on the provisional ballot certificate with the signature on your voter registration record. Your provisional ballot will be counted if your signature matches, you cast your ballot in the proper precinct, and you are otherwise eligible to vote.

Where Do I Vote?

When voting in person on Election Day, you must vote at your precinct's designated polling location. You can find information about your polling location on your Voter Information Card, sample ballot, or by visiting EscambiaVotes.gov/precinct-finder.

You can also find your precinct by scanning the QR code below.

VOTERS WITH DISABILITIES

Escambia County Early Voting and Election Day polling locations have at least one ballot marking device or ExpressVote to assist persons with disabilities or any voter who wishes to use it.

The ExpressVote allows voters the option of a touchscreen or an audio headset with a keypad to mark their ballot. The screen has large-print capability and adjustable screen contrast for better viewing.

1. Let an election worker know you want to use the ExpressVote.
2. Insert the blank ballot card into the ballot marking device.
3. Make selections by touching your choice on the touchscreen or keypad.
4. Select "back" or "next" to navigate through the ballot.
5. Review selections, select "print card," and the device will mark the ballot and return it to you.
6. Confirm your choices as printed on the ballot and insert the ballot into the tabulator.

If you make a mistake on your ballot or need extra assistance, ask an election worker.

If voters with disabilities prefer to vote-by-mail, they may request an accessible vote-by-mail ballot be sent to them by contacting the Supervisor of Elections office.

MILITARY AND OVERSEAS VOTERS

The following voters are covered by the federal Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) and related state statutes:

- Active duty members of the United States uniformed services (or their spouses and dependents)
- Active duty members of the merchant marine (or their spouses and dependents)
- U.S. citizens residing overseas

Such voters may register to vote in Florida using a Federal Post Card Application (FPCA), which also serves as a vote-by-mail ballot request, or may use a Florida Voter Registration Application and indicate their military status.

In addition to the traditional mail option, UOCAVA voters may have ballots faxed or emailed to them. Overseas voters may return their ballots via fax, but not email. UOCAVA voters may also use our online ballot delivery system which allows a voter to access and mark a ballot online.

The completed ballot must be printed and returned by mail (or fax if overseas), as online or email return of a voted ballot is not permitted in Florida. For more information on military and overseas voting, visit our website.

TRACK YOUR VOTE-BY-MAIL BALLOT

Vote-by-mail voters can track the status of their ballot at EscambiaVotes.gov/ballot-trax or by scanning the QR code.

Keep Your Information Current

In order to maintain accurate voter roles, we ask that you keep us informed of any changes to your registration, including:

- Legal name change
- Residential address change
- Political party change
- Mailing address change
- Signature change

It is important to keep your signature updated, as it is used to verify vote-by-mail ballots and petitions. An outdated signature may result in your vote-by-mail ballot or petition not being accepted.

You may update your signature on file with our office at any time using a Florida Voter Registration Application, which can be obtained from our website, our office or any other voter registration agency.

Contact the Supervisor of Elections office about any information changes or updates.
