

Election Specialist – IT Technician

Location: Pensacola, FL

Salary: \$38,000–\$40,000/year

Employment Type: Full-Time, On-site

Application Deadline: December 8, 2025

About the Role

Are you passionate about technology and public service? Join the Escambia County Supervisor of Elections team as an Election Specialist – IT Technician! You'll play a vital role in supporting secure, efficient elections by providing technical expertise, troubleshooting equipment, and ensuring our systems run smoothly.

What You'll Do

- Install, configure, and maintain election hardware and software
 - Provide technical support during election cycles, including on-site troubleshooting
 - Assist with system testing, security checks, and compliance
 - Train staff on technology and equipment
 - Maintain accurate records and resolve technical issues
 - Deliver exceptional customer service to staff and the public
-

What We're Looking For

- High school diploma or GED required; 1–2 years' IT experience preferred
 - A+ and/or Network+ certification a plus
 - Basic knowledge of computer hardware, software, networking, and security
 - Strong communication and problem-solving skills
 - Ability to work under pressure, especially during elections
 - Valid driver's license and willingness to travel locally
-

Why Join Us?

- Make a difference in your community by supporting fair and secure elections
 - Competitive pay and overtime opportunities
 - Professional growth in IT and public service
 - Inclusive, mission-driven team environment
-
